The Granite Group Announces Acquisition of Webber Supply Inc.

October 7, 2019 – Concord, NH

The Granite Group Wholesalers, LLC has announced they have finalized the acquisition of Maine-based Webber Supply Inc. Terms of the agreement were not disclosed. Established in 1960, Webber Supply features locations in: South Portland, Lewiston, Augusta, and Bangor. Effective today, all Webber Supply branches have begun operating under The Granite Group umbrella.

“We could not be more excited about this opportunity to work with the fantastic people at Webber to give their customer base access to our world class distribution system and product offerings. Now with 6 locations from South Portland to Bangor, this acquisition allows The Granite Group to greatly expand its service footprint in Maine. In addition to the operational synergies between The Granite Group and Webber, both companies share an unwavering dedication to service and their people. Therefore, we are expecting a very smooth transition.” says Bill Condron, The Granite Group’s President & Chief Executive Officer.

“In addition to seeing a great fit on the business side, the cultures of Webber Supply and The Granite Group are very similar and that is one of the biggest reasons we felt comfortable moving forward. The people at Webber Supply have a proud tradition of serving contractors throughout the state of Maine and we are extremely happy they will now be building on that reputation as members of The Granite Group.” says Marie Saucier, President of The Webber Group.

About The Granite Group

With roots that date back to 1901, The Granite Group is a full-service wholesale distributor of plumbing, heating, cooling, water & propane supplies. A winner of Plumbing & Mechanical Magazine’s Supply House of the Year Award, The Granite Group currently has 43 branch locations throughout New England that are stocked daily by a dynamic, 210,000-square-foot Central Distribution Center in Londonderry, NH. In 2016, The Granite Group launched their “Online Store”, a best-in-class E-Business portal built specifically for its core customers. The Granite Group also knows that service is their most important product and every member of their team is focused on delivering the best service possible to their customers. From an experienced and knowledgeable inside staff to a strong, dedicated outside sales force, The Granite Group works every day to meet its customers’ needs and exceed their expectations.
