# Cimarron® Comfort Height® Toilet With Revolution 360® Technology

Updated design and innovative technology combine to bring you the new Cimarron Comfort Height toilet with Revolution 360 technology. Revolution 360 swirl flushing technology with CleanCoat® surface treatment takes toilet cleanliness to the next level and leverages the AquaPiston® canister flush for power and performance. CleanCoat Surface Treatment	CleanCoat technology inhibits growth of water scale and mineral stains and combines with Revolution 360 technology to keep the bowl twice as clean as conventional toilets*
Omnidirectional Leveling Attachment System	New patent-pending two-bolt and gasket system makes attaching the tank to the bowl and achieving leveling easier than ever
Comfort Height	 Offers chair-height seating that makes sitting down and standing up easier for most adults
Powerful Flush	 AquaPiston canister allows water to flow out from all sides, increasing the power and effectiveness of the flush, saving water without sacrificing performance
