Star SPANGLED SAVINGS

BUY MORE, EARN MORE!

From July 1 – July 22, 2022, you'll earn a \$25 AMEX gift card every time you purchase \$1,000 worth of the products in this book through our branches or your sales representative. You'll earn a \$50 AMEX gift card when you make your qualifying purchases through our Online Store. And as a special bonus, you'll receive an additional \$500 bonus if you purchase over \$5,000 through our Online Store. We'll track your purchases for you and distribute gift cards in September.

Click the QR Code or scan it with the Catalog Scan option in our Mobile app or with your smartphone camera to view the qualifying products in our Online Store.

PROMOTION DETAILS:

- Qualifying purchases do not need to be made on the same invoice. The Granite Group will track your purchases and issue gift cards in September 2022. You must pick up or take delivery of your orders by August 31, 2022 for them to qualify.
- Only products listed in this book qualify for this gift card promotion.
- The promotion runs July 1 to July 22, 2022. During this time, your purchase of the items in this book can be made however you choose; in our branches, through your sales representative or through our Online Store.
- You'll earn a \$25 AMEX gift card for every \$1,000 worth of qualifying product purchased through branches and sales reps.
- You'll earn a \$50 AMEX gift card for every \$1,000 worth of qualifying product purchased through our Online Store.
- You'll receive an additional \$500 in gift cards if you purchase \$5,000 or more worth of qualifying products through the Online Store.
- Partial gift cards will not be awarded. For example, if you order \$2,890 worth of qualifying products through our Online Store you will be awarded (2) \$50 gift cards.
- The gift card reward amount is capped at \$5,000 per company.
- Purchases made through specially negotiated pricing agreements do not qualify for this promotion.
- Wholesale business competitors and employees of The Granite Group are not eligible to participate in this promotion.

Mixing Valves

- **ASSE 1017 - Temperature Activated Mixing Valves for Hot Water Distribution Systems** - applies to mixing (tempering) valves not intended to control the final temperature at end-of-use applications. Applies to valves located at point of distribution such as water heaters. Not used to control final temperature of water delivered to user.
Taco Models - 5002, 5003, 5004, 5122, 5123, 5124 (85 - 176°F)
 - **ASSE 1070 - Water Temperature Limiting Devices** - applies to valves limiting maximum temperature of hot water to reduce the risk of scalding - primarily used for point of use hand washing and tubs but not suitable for shower valves.
Taco Models - 5122, 5123, 5124 (85 - 120°F)
- ASSE 1017 and 1070 models available
 - Suitable for use in Potable Water
 - Union and NPT Options
 - Sweat, NPT, Pex and CPVC Union Connections
 - Check Valves Included (Except non-union versions)
 - Outlet Temperature Strip
 - Optional Dial Gauge and Adaptor
