TERMS AND CONDITIONS: This rebate is governed by the laws of the state of Georgia. Rinnai may use information obtained through this rebate program in accordance with its Privacy Policy located at rinnai.us. Rebate will be paid in U.S. dollars using a reloadable Visa debit card. Please allow 8-12 weeks for processing. This rebate is not to be combined with job quotes, special pricing or other promotions. Multiple redemptions are allowed. This offer is valid for U.S. or Canadian residents 18 years and older. Unit must be registered on the GoRinnai.com website with claim form and proof of purchase on or before January 31, 2020. Void where prohibited by law and subject to all applicable federal state and local laws. Rinnai America Corporation reserved the right to alter, change or discontinue this promotion at any time. Any other use constitutes fraud. Fraudulent submissions could result in federal prosecution under the U.S. mail fraud statutes (18 United States Code, section 1341 and 1342). Offer is valid only in the U.S.A. and Canada. Applicable tax, if any, is sole responsibility of rebate recipient. Rinnai America Corporation and the source of purchase are not responsible for lost, late, illegitimate, incomplete, damaged, misdirected, or postage-due requests. Omission of sales invoice(s) or any other information will cause rebate form not to be processed. Keep a copy for your records.

Rinnai HE+ Series Tankless Water Heater

Rinnai®

Key Selling Features

PRODUCT SUMMARY

- Affordability of non-condensing tankless models
- Ships with isolation valves in the box
- Built-in Circ-Logic for recirculation option
- 12-Year warranty on heat exchanger (HEX)
- Commercial-grade heat exchanger
- Assembled in the Rinnai U.S. Manufacturing Facility in Griffin, GA

Offers significant added benefits for both installer and homeowner.

BENEFITS RIGHT OUT OF THE BOX

Exceptional Warranty Delivers Peace of Mind

- A 12-Year heat exchanger (HEX) warranty, compared to a 10-Year warranty for many other non-condensing models
- FREE Extended Service Plan of 4 Years*
- **Delivers a +\$150 value****

Includes High-quality Isolation and PRV Valves No Additional Purchase Needed

- Enables easy preventive maintenance, annual flushing, and serviceability
- **Delivers a \$70 value**

Built-in Circ-Logic for Dedicated Recirculation

- Rinnai HE+ Series has a built-in thermistor and control board to manage optimal, energy-efficient operation of an external recirculation pump.
- **Delivers a +\$150 value**

Fast & Clean Installation

- Rinnai HE+ Series uses concentric venting, which provides a clean installation with a single-wall penetration
- No need for condensate line installation***

ISOLATION VALVES

PRESSURE RELIEF VALVE

FIND ENERGY REBATES IN YOUR AREA

* Extended Service Plan from 1 year to 5 years - for details, visit rinnai.us/warranty.

** Based on RSMeans construction industry data, the dollar value includes a 2 hours of labor at a \$75 per hour labor rate.

*** For installed venting with downward slope. Must adhere to local codes.
